Public School Choice

The City of Baker School System is unable to offer “school choice” within the district due to the schools’ grade configuration; only one school serves each grade. Unsuccessful attempts have been made to arrange for “school choice” across district lines with neighboring districts.

FREE TUTORING!!!

In lieu of choice, the City of Baker School System offers **FREE Supplemental Educational Services (SES)** for eligible students. The **SES Providers** are:

- Sylvan Learning Center of Zachary
- Club Z! Tutorial Services.
