July 16, 2024

Addendum No.1

RFQ Pre-Positioned Emergency Services Project 071624

TO ALL BIDDERS

1. Pre-Bid Meeting (Mandatory to attend) July 24, 2024 at 11:00 a.m.
14750 Plank Road
Baker, La 70714

2. RFQ Project Number added
Answer: RFQ Project No. 071624

3. The RFP references a calendar of events, however I do not see where this is listed in the RFP.
Answer: There is no calendar of events at this time. One will be provided if the need arises.

4. Is there another cost proposal form that should be included in the RFP?

Answer: The Cost Proposal Form is now available with the packet. The proposal was emailed and uploaded to www.centrauctionhouse.com and the districts website www.bakerschools.org

5. Would you like to see the cost proposal included with the current format that is being requested for submittal in this section?

6.

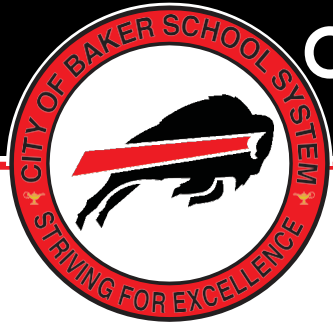

Answer: Yes, the cost Proposal Forms have been included as an Addendum No.1 as part of the packet.

7. What types of HVAC systems does each location have? Are there standalone units for each classroom or do several large units service the entire school?

Answer: There are standalone and rooftop units on the schools and several large units service the buildings.

8. Regarding temporary roofing, would this be tarping services or making temporary repairs to the roof until permanent repairs can be done.

Answer: Temporary repairs may be made until permanent repairs can be done. Depending on the circumstances it could be a tarp maybe used.
