CHILD NUTRITION PROGRAM

Henry Belin, CNP Supervisor

Dear Parent or Guardian:

We are pleased to inform you that the City of Baker School System, Child Nutrition Program will be implementing a new program available to schools participating in the National School Lunch and School Breakfast Programs called the Community Eligibility Provision (CEP) for the 2015-2016 school year. We are confident that Community Eligibility Provision (CEP) will have a positive impact for our students and parents.

What do you as a parent have to do? The only requirement is for your child(ren) to be enrolled at one of the Baker School System School(s) listed below. There is no fee involved and you do not have to fill out a Meal Benefits Application.

What does this mean for students? It means ***ALL STUDENTS*** will receive a healthy breakfast and lunch for the 2015-2016 school year ***free***. However the Program does not provide second meals or any extra sale items listed on the menu.

We look forward to continuing to work with you in making sure that each and every student will get a nutritious meal. If we can be of any further assistance, please contact Henry Belin or Alisa Sibley at the Child Nutrition Program, 225-778-2378.
